PREFACE.

The late Mr. Harlan P. Smith for a great many years was an ardent amateur collector of coins, and during the later period of his life engaged actively in dealing in them, but always endeavored to improve his own private cabinet, and collectors will here find a collection that takes rank with the finest that have ever been sold as regards completeness, rarity, and preservation, and probably equals in value the great Mills collection, which we sold two years ago, for what it may lack in the colonial series in comparison with the former collection, it surpasses in the United States gold coins, for it contains all the great rarities in the latter series and is complete in the silver, with the exception only of the 1804 dollar.

The highest rarities in the collection are: the New York Non Vi Virtute Vici, Liber Natus Libertatem Defendo, Excelsior cents; Half Eagles, 1795 R. Heraldic Eagle, 1797 over '95 R. Heraldic Eagle and small Eagle, 1815 of which only about 6 are known, 1819 probably even rarer, 1822 of which only three specimens are known, 1824, '5, '6, '7, '8, '9 large and small dates, 1830, '1, '2, '3, '4; Quarter Eagles, 1796, '97, 1821, '4, '5, '6' 1875; Three Dollars, 1876; One Dollar, 1855 D 1860 D; 1870 S. F. Mint, Complete Set Phila. Mint, 1875; Silver Dollars, 1794, 1851, '2, '8; Half Dollars, 1796 (15 and 16 stars), 1797; Quarter Dollars, 1796, 1805 uncirculated, one of the finest known, 1807 uncirculated, probably finest known, 1823 very fine, and the finest specimen known, 1827; Dimes, 1797, '8, 1804; Half Dimes, 1796, 1802 one of the best known; Cents, 1793 chain, superb preservation, 1795 lettered edge, the most magnificent specimen known; 1796 head and bust, 1799, 1804, 1806 uncirculated, 1807, other dates in the finest preservation, 1808, 1811, 1824; Half Cents, 1793, 1831, '6, 1840, '1, '2, '7, '8, '9, 1852; Proof Sets of 1849, '50, '55. The collection contains one of the greatest series of Pattern pieces ever offered, commencing with the extremely rare silver center cent of 1792, and including the dollars of 1836, with reverse of 1838, of which only two or three are known, 1838, and 1839, and the excessively rare commer-

cial dollars of 1872; a splendid and complete collection of very fine United States Fractional Currency; a fine series of 1837 Tokens, one in silver, unique, and practically a complete one of Assay Medals, including several very rare Patterns.
